## PILOT PEAK PILSNER

A German malt & hops come together to bring forth our interpretation of this classic style. Light but not lifeless, delicate in flavor and bold in refreshment.

## SILVER ISLAND HEFEWEIZEN

An unfiltered beer that features the crisp bite of wheat malt, and light hop character. An easy drinking ale that is refreshing but also offers a complex and satisfying flavor.

## BLACK ROCK BELGIAN WHITE ALE

This distinctive wheat beer showcases the flavors of orange peel and coriander which blend with the gentle wheat flavor to make a light and bright beer.

## ANTELOPE AMBER ALE

2014 NABA BRONZE

2015 NABA SILVER

2016 NABA BRONZE

Created with balance in mind. This American-style amber plays caramel and biscuit malt flavor off earthy hops for a clean finish.

## FREE ROLLER SESSION IPA

Additions of Pacific Northwestern hops cause this beer to explode with citrusy and piney aromas and a satisfying bitterness that balances out the sweet caramel and malty backbone.

## REDLINE IRISH RED

2014 NABA SILVER

This red ale features bready malt character with a hint of roast for a dry, refreshing finish. A hint of British-style hops round out the flavor profile of one of the brewer's favorite beers.

## SIR MALCOLM'S STOUT

2015 NABA BRONZE

Though big on flavor, this dry Irish stout is light and drinkable. Rich roasty and chocolate flavors combine with a thick, creamy head to create a darkly delicious beer. Excellent with dessert.

## VIENNA LAGER

This amber-colored lager has a soft malty character with notes of toasty bread and caramel. Light hopping enhances drinkability while keeping bitterness to a minimum.

## PEACH WHEAT ALE

A creamy, crisp wheat beer with the flavor of peach in the brewing. Caramel and honey malts plus mild sugar lends this beer a sweet complexity and delightful mouthfeel. (Contains lactose).

## BONNEVILLE LIGHT

Our lightest beer is a cream ale, the ancestor to the American light lager. The use of rice in the mash gives an exceptionally light body and clean finish.
